## Progress Apparent in Cattle Experiment Station

BARN AND WALKING AREA FOR 120 HEAD OF BEEF  
cows on Pasture Management Study.  
BARN AND LOTS IN THE FOREGROUND ARE DE-  
signed to care for one herd of 40 animals divided into four  
units of 10 head each so they may be fed differently.  
BIG BARN IN BACKGROUND HOLDS TWO UNITS OF

SHED ON RIGHT IS WORKING AREA CONTAINING  
scales, headlock, loading chute and laboratory where animals  
are weighed periodically, blood samples taken for internal para-  
site study and other experimental data are secured.

PERSONNEL IN PICTURE FROM LEFT TO RIGHT ARE  
Lloyd Spencer, Owner and Lessor and Cecil M. Bittle, Assistant  
Director in Charge of Station, observing one of the recently

established pine seed source studies. Pine trees in the back-  
ground are part of the 177 acres of Natural Stands being de-  
veloped into research work.

## Spencer Tract Proving to Be Valuable

Operation of the Spencer Tract  
as part of the University of Ar-  
kansas Southwest Branch Experi-  
ment Station has entered into the  
second year and progress is al-  
ready apparent, according to Cecil  
M. Bittle, assistant director in  
charge of the Station.

Part of the area is already be-  
ing grazed, he reports, and a start  
has been made on the establish-  
ment of new pastures for use in  
beef cattle research. Also forestry  
projects have been set up for re-  
search in establishing pines and  
controlling forest insects and dis-  
eases.

The U of A assumed operation  
of the 1,000 acre tract in January  
of 1961 under a long-time lease  
by Mr. Spencer. The area consists  
of about 320 acres of bottomland,  
503 acres of upland pasture and  
meadow land and 177 acres of  
pine forest. It includes a wide  
variety of soils typical of the  
Cotton Belt of Arkansas. The ex-  
panded program of research plan-  
ned for the area should prove  
beneficial to farm people through-  
out Southwest Arkansas.

"Many civic leaders, farm peo-  
ple, and groups cooperated to  
make this land available for use  
in experimental work by the Uni-  
versity's Division of Agriculture,"  
according to Dr. John W. White,  
vice president for agriculture.  
"There have been contributions  
of cash and of materials and ser-  
vices. Contributors include: Mrs.  
R. B. Arnold, Herbert Burns, I.  
E. Odum, Mr. Thomas G. Jones,  
Monroe R. Samuels, C. O. Temple

## Minor Damage in Auto Accident

On South Main Street yesterday,  
Mrs. Charles Purifoy pulled into  
a parking space and was putting  
money in a meter when her auto  
rolled backwards into another  
parked car owned by Clevis Ma-  
haffey. Both cars were slightly  
damaged. Officers Clark and Wil-  
is said.

## Youth on Bike Hit by Auto Is Critical

Donald Braden, 11 year old son  
of Mr. and Mrs. Cecil Braden of  
Hope, was in critical condition  
in a local hospital today following  
an accident at 8:10 last night  
when he was struck down by an  
auto driven by Herbert Stephens  
of Blevins.

Young Braden suffered a broken  
leg, a multiple break of the other  
leg, face lacerations and a pos-  
sible head fracture.

City Officers Ward and Moses  
reported the youth was riding a  
bike without lights. They said  
the bike and car were traveling  
north and the collision occurred  
at Hickory and North Hazel.

Mr. Stephens told officers that  
he didn't see the boy at all. He  
rushed him to a local hospital  
before an ambulance could arrive.  
Officers said it was raining, the  
streets were wet and completely  
dark.

The bike was destroyed and  
the car's front end was damaged.

## Pupils Invited to Play at the Spa

The following pupils of Mrs.  
Bess Evans are invited to play in  
a music program in the Majestic  
Hotel, Hot Spring Sunday, June  
3 at 8 p.m.:

Judy Brenits, Mary Beth Allen,  
Anthony Pierce, Susan Erwin,  
Sandra Byers, Mary Ellen Holder,  
Margaret Polk, Mark Verhalen,  
David Morris, also two pupils of  
Jon Barbarotto, David Chism and  
Lance Jones.

## Sardis Baptists Plan Revival

Revival services start Sunday,  
June 3, at Sardis Missionary Bat-  
tist Church with the Rev. Ken-  
neth Bobo as evangelist. Services  
will be held each night at 7:30  
through Saturday. The church is  
eight miles south of Palmox road  
and the Rev. Harold Marcom is  
pastor.

## Poultrymen Vote to Join Association

Broiler growers, members of the  
Southwest Arkansas Poultry Pro-  
ducers Association, voted unani-  
mously at a Board meeting Tuesday  
night to affiliate with the Northwest  
Poultry Growers Association and  
through that group with the U.S.  
Poultry and Egg Producers Assn.  
The vote was taken after grow-  
ers heard R. J. Tryon, broiler  
grower of Noel, Mo., and execu-  
tive secretary of the Northwest  
Poultry Growers Assn. stress the  
importance of organization and  
united action through a national  
association.

The USPEPA has opposed re-  
commendations of the broiler ad-  
visory committee to the Secretary  
of Agriculture which have estab-  
lished controls at the hatchery  
level. Such a program would have  
been costly as it was proposed  
hatcheries be paid 85c per dozen  
for not setting broiler hatching  
eggs and that hatcheries be paid  
57c per lb. for all laying hens  
taken out of production.

Under the USPEPA program,  
which Mr. Tryon says has the  
support of Secretary Orville Fre-  
man, there would be no subsidies  
for any segment of the broiler  
industry. Growers and all phases  
of the broiler industry would be  
helped by controlling production  
at the farm level.

It is believed production of four  
batches of broilers each year by  
current producers, instead of four  
and one half or five batches,  
would correct present over pro-  
duction.

It is understood the secretary  
would permit broiler prices to  
rise to approximately 20c per  
pound to broiler producers, which  
would mean around 10c per head  
to local growers now operating  
under contracts which pay from  
4 to 7 cents per head on prices  
which have existed for the past  
year.

As stormy weather and poor  
roads caused by the rain and road  
construction, limited the attend-  
ance Tuesday night the group  
voted to hold another meeting  
next Tuesday night, June 5 also  
at Bodewy High School to more  
fully organize a membership cam-  
paign. The meeting has been cal-  
led for 7:30 p.m. There were 38  
growers represented at the meet-  
ing held this week.

## Contract Awarded

WASHINGTON (AP) — The  
Veterans Administration has  
awarded Garbi & Joseph Construc-  
tion Co., North Little Rock, a con-  
tract for construction of a \$234,389  
chapel at the North Little Rock  
Veterans Hospital at Fort Roots.

## Refuses to Force Poll List Filing

MORRILTON, Ark. (AP) —  
Judge Wiley Bean refused Thurs-  
day to order Sheriff Marlin Hawk-  
ins to file a true list of qualified  
Conway County electors, saying  
the law did not require the coun-  
ty collector to determine whether  
persons paying their poll taxes  
were qualified electors.

The suit was filed against  
Hawkins by R. J. Mobley, a Mor-  
rilton druggist. Mobley contends  
there are hundreds of inaccura-  
cies in the county's 1961 list of  
registered voters.

After denying Mobley's suit,  
Judge Bean set June 11 for a  
hearing of a suit filed previously  
by Mobley, and a motion filed by  
Hawkins' attorneys asking that  
the suit be dismissed.

Mobley's first suit, filed about  
two weeks ago, is against Hawk-  
ins, County Clerk C. C. Brewer  
and members of the Conway  
County Election Commission.

It charges that the list includes  
fictitious names, the names of  
persons deceased, duplication of  
names and names of persons who  
have not resided in their alleged  
communities in the past 20 years.

Judge Bean, who is sitting in  
Conway Circuit Court in an ex-  
change of circuits with Judge  
Audrey Strait, is expected to pre-  
side at the June 11 hearing.

## Ruling Made on Patent Rights

LITTLE ROCK (AP) — Crane  
Boom Guard Co., Inc., consented  
Thursday to a decree enjoining  
it from infringing on patents for  
a crane boom guard issued to  
Saf-T-Boom Corp.

The two firms, both located at  
Little Rock, manufactured frame-  
works designed to keep crane  
booms from coming in contact  
with electric lines. The guards are  
insulated from the boom to pro-  
tect the crane operator from being  
electrocuted.

The agreement was reached dur-  
ing a recess in federal District  
Court where the case was being  
tried. It means that Crane Boom  
must stop manufacturing the  
guards.

However, the owners of Crane  
Boom will receive stock in Saf-T-  
Boom at no charge. Shelby R.  
Blackmon, president of Crane  
Boom, said his firm would go out  
of business.

The decree, signed by Judge J.  
Smith Henley, specified that nei-  
ther side would receive any  
damages, and that Saf-T-Boom  
would pay the court costs.  
The two firms were the only  
ones in the United States manu-  
facturing the guards.

## Police Car Is Wrecked in Chase

FAYETTEVILLE, Ark. (AP) —  
A police car was demolish  
Thursday when it skidded on its  
side, flipped over a convertible  
and landed on its side in a ditch  
at Fayetteville.

Patrolman Clint Hutchins es-  
caped with only minor lacerations.  
Hutchins said he was chasing a  
speeder when the convertible cut  
in front of him. He said one of the  
wheels locked when he hit his  
brakes while traveling at about 50  
miles per hour.

The convertible was damaged  
only slightly. Its driver was not  
identified.

The speeder? He got away.

## Defiant to the End, Eichmann Put to Death

By GARVEN HUGGINS

TEL AVIV, Israel (AP)—De-  
fiant to the end, Adolf Eichmann  
walked firmly to the gallows  
Thursday night and paid with his  
life for his role in Nazi Germany's  
systematic extermination of 6 mil-  
lion European Jews.

The young state of Israel  
hanged the former Gestapo colo-  
nel at two minutes before mid-  
night on an improvised scaffold  
in a third-story storeroom of  
Ramleh Prison near Tel Aviv.

It was the first execution in the  
14-year history of this Jewish na-  
tion which counts among its citi-  
zens thousands of relatives of  
Jews whom Eichmann, 56, helped  
speed to death in Hitler's gas  
chambers.

Eichmann's body was cremated  
quickly and the ashes scattered  
upon the waters of the Mediter-  
ranean.

Eichmann was cool and unre-  
pentant as this Jewish nation car-  
ried to conclusion its announced  
determination to record the his-  
tory of the Nazi pogrom and mete  
out justice in the name of all  
Jews.

A faint smile on his face, Eich-  
mann spurned the traditional  
black hood and even chided his  
jailers for making it difficult for  
him to stand on the gallows' trap  
door.

"My belief was correct," the  
former head of the Gestapo Jew-  
ish affairs section declared. "I  
had to obey the rules of war and  
my flag. I am ready."

At a command from an Israeli  
guard, Eichmann stepped to the  
trap door and lunged to his death  
almost in a single motion.

Death was instantaneous, prison  
officials said.

Eichmann was condemned to  
death last December by a special  
three-judge tribunal which found  
him guilty of acts of "unpara-  
leled enormity" against the Jew-  
ish people and against humanity—  
the only crime subject to capital  
punishment in Israel.

The balding, bespectacled Hitler  
disciple had insisted he was only  
a minor cog carrying out orders  
from above in the Nazi campaign  
for "the final solution to the Jew-  
ish problem"—extermination.

But the court declared he ac-  
tually relished shipping Jews to  
their deaths by the hundreds of  
thousands, saying he was moti-  
vated by "an ardent desire to blot  
out an entire people from the face  
of the earth."

## Ford Suggests \$1 Million Go to Teachers

By JOHN R. STARR

LITTLE ROCK (AP) — The  
Education Department will recom-  
mend that school districts use a  
\$1 million windfall to pay teach-  
ers additional salary for the  
school year just completed, Edu-  
cation Commissioner Arch Ford  
said today.

Ford presented his department's  
position in a letter to Kenneth  
Coffelt, a candidate for governor,  
who asked Ford for an explana-  
tion of where the \$1 million came  
from and how it will be used.

Ford told Coffelt in a two-page  
letter that the Education Depart-  
ment was not sure the money  
would be available until the May  
tax collection report was issued  
Thursday.

The department has reason to  
expect, however, that between  
\$750,000 and \$1.25 million would be  
available, Ford said, and he made  
an announcement to this effect  
May 21.

The announcement led to criti-  
cism by Coffelt and other guber-  
natorial candidates who said the  
timing was political.

Ford said some districts prob-  
ably would pay additional money  
to increase next year and some  
might not give teachers any ad-  
ditional money.

Ford said distribution of the  
money had to be left to discretion  
of local school boards if the state  
is to retain local control of  
education.

Ford said the state Board of  
Education would consider budget-  
ing the additional \$1 million at a  
meeting June 11 and he would re-  
commend the money be spent to  
local districts for use during the  
current fiscal year.

"If approved by the state board,  
local schools will receive this ad-  
ditional money not later than June  
20," Ford said.

Ford told Coffelt that some  
sources had felt all along the ad-  
ditional money would be available,  
but the Education Department  
drew up its budget under revenue  
estimates prepared by the Comptrol-  
ler's Office and it stuck with  
these estimates until they were  
changed.

Comptroller L. A. Mashburn's  
latest estimate - released Thurs-  
day - means the public school fund  
will get about \$8 million more  
this year than it got during the  
last fiscal year. Under 1961 ap-  
propriations, public schools could  
have got up to \$10 million more if  
taxes had reached a total of \$111.4  
million.

Mashburn has estimated the  
entire \$10 million in additional  
funds will be available to schools  
during the fiscal year which  
starts July 1.

The conferences will be attended  
by Local Board Clerks of South-  
west Arkansas.

## Selective Service Meet Here June 5

On June 5, an Area Conference  
for Selective Service Local Board  
Clerks will be held in Hope.

The meeting begins at 10 a.m.  
in the Municipal Court Room at  
the City Hall and will be con-  
ducted by Lt. Col. James T. Horner,  
Commander Melvin A. Everhart  
and Major John T. Jeans.

The conferences will be attended  
by Local Board Clerks of South-  
west Arkansas.

## Population Loss Predicted 10%

LITTLE ROCK (AP) — A gov-  
ernment publication specializing  
in that part of the population  
over 65 and over predicts a 10  
per cent population loss in Ar-  
kansas in 1970.

The May issue of "Aging," pub-  
lished by the Department of  
Health, Education and Welfare,  
makes the prediction in an ar-  
ticle attempting to determine the  
number of persons 65 and older  
there will be in 1970.

The publication credits Arkan-  
sas with a total population of  
1,599,000 in 1970, with some 211,  
000 of those aged 65 or older.

The total population figure  
would represent a loss of 187,272  
or 10.4 per cent from the 1960  
census. The gain in persons 65 or  
older would be largest percent-  
age-wise of any state in the na-  
tion.

minutes late at the close of trading. The exchange ordered brokers to have representatives on the floor Saturday to clear the great mass of paper work. Profit-taking cut into early gains and raised a threat to continuation of the forward march. The American, Pacific Coast and Midwest stock exchanges also recorded big gains on heavy volume.

The congressional investigation was proposed by Rep. Wright, Patman, D-Tex., who asked Congress to appropriate \$750,000 for an inquiry by the Senate Banking and Currency Committee. "Congress ought to know what influences the stock market and how these influences affect the health of the business and credit systems," Patman said. The Securities and Exchange Commission is investigating the securities industry and has uncovered some irregularities. Patman said the SEC probe is "good as far as it goes." He added that he wanted the congressional inquiry to be considered and well designed.

Earlier William Cary, chairman of the SEC, had denied a published report that his agency had ordered an investigation "to explore its suspicions that stock market professionals set the stage" for the plunge. He said he saw no evidence that professionals touched it off. As for the future, Henri de la Chapelle of Paine, Webber, Jackson & Curtis in Los Angeles said, "the swing of the pendulum is now at its peak and should die down over a period of days. The total decline in the last six months is almost a record and should mark a bottom that should hold for a summer rise for at least a 50 per cent retracement."

Pick from 34 models during CHEVY'S Golden Sales Jubilee! No look-alike styling. No hand-me-down ideas. You do your choosing from three altogether different lines of cars. Like the line that's way out front as America's favorite buy—the luxurious Jet-smooth Chevrolet. Or the spiffy thrift car with so many new ideas—the Chevy II.

Easy to look at, easy to ride in, easy to keep up. Then there's the nimble rear engine Corvair—still in a class all by itself. So why settle for the look-alike, drive-alike cars when you can get Chevrolet dependability in three different varieties?

## DOROTHY DIX

Her Married Life  
a Living Hell

By HELEN WORDEN ERSKINE

Dear Helen: A middle-aged siren is luring my husband away from me and our children. He is 33; I am 34 and she 46! Can you beat that?

The first 10 years of our marriage were happy, the last three a living hell. I've taken him back four times in the past two years. Only his wild importuning made me give in two weeks ago. He actually had hysterics; lay on the floor, kicked and screamed that I was forgetting my marriage vows to stand by him in sickness and health; accused me of tossing him to this vampire.

If I hadn't loved the guy I would certainly have chucked him then and there. But, being a softy, I spread down the well-come mat; cooked a good dinner and encouraged our two children to make a fuss over him.

God help me, that she-devil has yanked him back like a cat would a mouse. Yesterday he was on my doorstep once more, crying he was going to commit suicide. Instead he signed a new deed giving the home to me, insisting that I and the kids were his only concern.

How can he prate of love, then break our hearts like this? Financially, we're okay. I got a job when he first took off and have been working ever since. The children, being of school age, make it easier. Unfortunately, this other woman has nothing to do but concentrate upon my husband.

His parents tried talking to him. I even offered to sell our house and move with him to another town, but it's no use. He says he knows what he is doing is wrong but he can't help it. I feel like a fool taking him back so often. If it weren't tragic, it would be downright silly. Every time I think of divorcing, either my lawyer or children talk me out of it. Actually, that isn't what I want. All I care about is getting him back. Do I love or pity the guy? —Heartache.

Dear Heartache: Sounds like love! Either accept conditions as they are, help your husband build up his will power or divorce him. The attraction is evidently sexual. In other countries he would take a mistress and that would be

that. But in our social scheme, there isn't much place for such an arrangement.

Normally, if the condition persisted, divorce or separation would be the answer. Since this is not what you want, see him through the dark flowering of passion, knowing that it will eventually wither and die. Your loyalty and devotion will strengthen his will. The very fact that he returns proves he is struggling to resist the woman's wiles.

Dear Helen: As I see it, the main trouble between parents and children is inability to communicate and lack of faith. I started dating in my freshman year at high school. My parents never sounded curfew. But, of my own accord I was home by midnight because they trusted me. As a consequence, I have never done anything to betray that trust.

We discuss everything. I am a happy, well-adjusted young woman; engaged and planning to marry shortly. I only pray that when, and if, I have children, I shall be able to talk things out with them as my parents did with me. —Happy Hoosier.

Dear Happy: You're right. Communication between parents and children is all important. Would there was more of it!

Dear Helen: Before we married 32 unhappy years ago, my husband said it didn't matter what nationality or religion a person was so long as they were good. Well, I certainly have been a decent and respectable woman but I can't put into print the things he has said about me and my religion. We have six children, all raised

## 32nd Rider Is Sent to Hyannis

LITTLE ROCK (AP) — The segregationist Capital Citizens Council sent its 32nd "Reverse Freedom Rider" to Hyannis, Mass. Wednesday and expressed regret that President Kennedy's youngest brother has not carried out his promise "to find jobs for Negro pilgrims to the new frontier."

Edward Burton, 44, a Prescott native who has been living at the Union Rescue Mission in Little Rock, said Amis Guthridge, president of the Council, had not promised him a job.

"I'm just going, taking a chance on finding work," he said. Guthridge told newsmen he sent a telegram to Edward Kennedy citing his failure to fulfill his promise. The telegram also said, "We are at a loss to understand your sudden failure to greet these citizens. We trust that you will resume vigorous leadership of the welcoming committee."

In Hyannis, several of the now 43 Negroes who have accepted one-way tickets to the Cape Cod community began showing regret for their decision. Eight have said they want to leave either for

the South or to larger cities where they may have a better chance at finding a job.

William Ricks, 20, who arrived at Hyannis Monday, said the Citizens Council "lied to us" about jobs.

Four of the 43 Negroes to reach Hyannis have left. Two went to Boston Wednesday. Two had left earlier for Philadelphia and New York.

In Louisiana, the White Citizens Council joined Guthridge in their criticism of Edward Kennedy. The organization said it has issued an appeal to southerners to send food and clothing to him to be distributed to Negroes who have migrated.

Hyannis got a brief respite from the influx of Negroes when 22 of them sent on one-way rides by the New Orleans Citizens Council chose California as their destination.

The group arrived in Los Angeles Wednesday night. Robert Carpenter, 44, one of the Negro riders, asked what he thought of George Singlemann, president of the council, said, "I don't know what Mr. Singlemann is up to and I don't care. The only reason I look him up on the deal was that I wanted to get out of New Orleans."

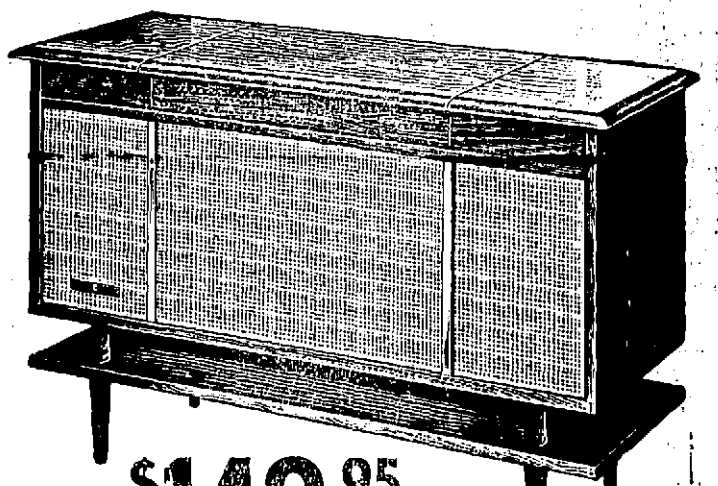

The rides were highly criticized at Hot Springs, Wednesday by the Little Rock Methodist conference.

The Board of Christian Social Concern of the conference termed the rides cruel and inhuman.

It issued a statement saying, "We deplore cruel or inhuman manipulation of our Lord's children."

## Spencer Tract

Continued From Page One

other assistance he rendered the project, Lloyd Spencer turned over to the Station a considerable amount of farm equipment that had been used in the past in operating the farm. The total contributions including cash, equipment and services rendered is \$5,268.70.

"Development of the property depended on an access road to make possible movement of equipment and personnel between the Southwest Branch Station proper and the Spencer Tract," Dr. White continued. "Hempstead County cooperated by preparing a county road, and Reuben R. Hardin, Mrs. Luther Higginson, O. B. Hodnett and Neil Osborn provided right-of-way for the access road."

Organized groups who were active in the program in addition to those already named were the Arkansas Cattlemen's Assn., the Hempstead County Cattlemen's Assn., the Arkansas Farm Bureau Federation and Hope C of C. The local committee on land acquisition was made up of Ned Purdie, chairman, N. B. Coleman, Vincent Foster, George Peck and Lamar Williams.

In an editorial in a recent issue of Arkansas Farm Research, bi-monthly periodical of the Arkansas Agricultural Experiment Station, Dr. E. M. Cralley, director, pointed out that one of the major livestock problems to be studied on the new land is that of overgrazing permanent-type pastures. Three herds of high grade beef animals are being used in an attempt to determine what are optimum management practices. One herd is maintained on a continuously overgrazed pasture situation, one on what is considered an optimally grazed situation, and the third on a continuously undergrazed pasture.

Regularly taken samples of forage, blood and feces will enable the research workers to follow closely chemical changes that take place in plant composition during the grazing trials and in the subsequent nutritive value of the forages, as well as in level of internal parasite infestation.

In a new study being set up this year on the tract, 2 acre pastures of Coastal and common bermudagrass will be fertilized at four different rates and will then be grazed by Hereford and Angus steers. Animals will be weighed regularly and additional steers will be added as needed to maintain constant growth of the pastures.

The facility for the beef bull performance test, open to cattlemen in southwestern Arkansas also will be located on the new tract.

Project leaders for the various beef cattle programs are Dr. M. L. Ray, animal husbandman; Dr. C. J. Brown, associate animal husbandman and Dr. A. E. Spencer, associate agronomist. They are located at the University in Fayetteville, but work closely with Branch Station personnel in conducting the research.

"This expanded livestock research at the Southwest Station is part of a statewide beef cattle and pasture research program. Other phases of the program are being conducted at the main station at Fayetteville, the Livestock and Forestry Branch Station at Batesville, the Cotton Branch Station at Marianna and the Beef Substation at Newport," Dr. Cralley pointed out in his editorial.

The additional land will make it possible also to expand the forestry research that has been conducted at the Southwest Branch Station for many years. Here again the work is part of a statewide forestry research program also in progress at the Main Station at Fayetteville, the Livestock and Forestry Branch Station at Batesville and in cooperation with

## Crippled Tigers in Two Games of Loop Lead

By MIKE RATHET  
Associated Press Sports Writer

Al Kaline is out with a broken shoulder. Frank Lary, a 23-game winner last year, has one victory. Batting champion Norm Cash and slugger Rocky Colavito are hitting .238 and .235, respectively. And the Detroit Tigers have moved within two games of the American League lead.

How've they done it? With key contributions from the slowly reawakening C boys—Cash and Colavito, and with outstanding performances from players such as infielder Jake Wood, outfielder Billy Bruton and pitcher Paul Foytack.

The trio combined Thursday as the Tigers won their 10th in 12 games by beating the Chicago White Sox 13-5.

Foytack, who had been relegated to the bullpen at the start of the season, ran his record to 4-1 since being restored to the starting rotation when Lary was injured.

Cleveland upped its first-place edge over the idle New York Yankees to a full game by beating Baltimore 4-2. In the only other game scheduled, Kansas City blanked Washington 1-0 behind Jerry Walker's six hits.

In the National League, Philadelphia edged first-place San Francisco 2-1. The Los Angeles Dodgers won their 11th in a row, 6-3 over the New York Mets. Cincinnati whipped Milwaukee 7-4. Pittsburgh defeated St. Louis 5-4 and Houston drubbed the Chicago Cubs 10-6.

Backed by the slugging of Wood who drove in five runs, and Bruton who drove in four, the Tigers had little difficulty with the White Sox, although Foytack had to have relief help in the seventh. Foytack gave up six hits before Ron Kline took over. Don Zanni (2-2), first of four Chicago hurlers took the loss.

The Indians, shut out on three hits by Robin Roberts for five innings and trailing 3-0, used Brooks Robinson's error as a wedge in the sixth inning and scored all their runs. Jim Grant (3-0) won it with relief help from Gary Bell. Ron Hansen homered for the Orioles.

Walker (6-2) won his pitchers' duel with the Senators' Steve Hamilton (0-2) when the A's came up with an unearned run in the last of the ninth.

## China Frowns on Youth Marriages

By JOHN RODERICK

TOKYO (AP) — Communist China, its 670 million people plagued by serious food shortages, has started a campaign to discourage youth marriages.

The official reason is the same given for its program of birth control: The health of individual Chinese. The effect of both, however, is to put brakes on an exploding population.

The campaign against early marriage is being waged by the China Youth News, a publication which reaches most of the young people of the nation.

Besides printing letters from readers who regretted their early marriages—"I have become so thin that I seem to have only bone but not any flesh"—the paper carried an article on the subject by Yeh Kung-Shao, dean of the department of public health of Peking Medical College.

He said the comparatively ideal age for marriage was 23 to 27 for girls and 25 to 29 for men. The Red Chinese marriage law sets the minimum legal age at 18 for a girl and 20 for a boy.

The reader who said he had wasted away to nothing but skin and bones Liu Fa, who at 25 has been married 12 years and is the father of five children.

He was under 16 when the first baby was born. His wife, who is 26, "is very weak owing to too many childbirths and often falls ill," he wrote. "The first three children were not able to walk until they were two years old."

Ch'un Hsiang, 22, who is about to have her fourth child said, "I have worked in a rubber plant before, and were it not for the fact that I have many children, I would have kept on working beside that machine which I love so much and would probably have done a lot of good things."

## Redlegs Seem on the Move in National

By JIM HACKLEMAN  
Associated Press Sports Writer

It's still the powerful San Francisco Giants and the dazzling Los Angeles Dodgers bunched at the top of the National League. But the surprising Cincinnati Reds, who took it all last year, are on the move.

The Reds clicked again Thursday, beating Milwaukee 7-4 behind steady pitching by Bob Purkey and resurgent slugger star Frank Robinson. Purkey became the majors' first nine-game winner with a seven-hitter and Robinson had a double and a decisive three-run homer.

The Dodgers won their 11th in a row as they pinned the 11th loss in a row on the New York Mets, 6-3, on a three-hit pitching job by Joe Moeller, Ed Roebuck and Ron Perranoski. Philadelphia's Art Mahaffey trimmed the Giants 2-1.

The results left the Giants with a mere half game edge on the Dodgers and the Reds.

In other NL games, Pittsburgh won its fifth straight 5-4 over St. Louis and Houston whipped Chicago 10-6.

In the American League, Cleveland boosted its lead to a full game by overcoming Baltimore and Robin Roberts 4-3. Detroit crushed Chicago 13-5 and Kansas City edged Washington 1-0. The other AL clubs were not scheduled.

Purkey, a 16-game winner for Cincinnati last year, was tagged for a homer with one on by Hank Aaron in the sixth and yielded two more runs in the eighth.

Robinson's double got in a run as the Reds scored twice off Carl Willey in the third and he powered Cincinnati into a 7-2 lead in the seventh with his homer, which followed singles by Don Blasingame and Marty Keough.

The Dodgers played even with the Mets until the sixth, when Larry Burright broke a 2-2 tie with a two-run triple and scored on a sacrifice fly. Roebuck allowed just one single in his five-inning stint but came out in the ninth after the Mets loaded the bases. They managed one run before Perranoski slammed the with speed and control before door.

Mahaffey stymied the Giants' wavering slightly in the late going. He was nicked for two singles in the eighth, then was finally reached for a run in the ninth on Orlando Cepeda's triple and Felipe Alou's single with one out. The Phils collected four of their six hits and both their runs off Billy O'Dell in the first.

Bob Friend ended a string of five losses with ninth inning relief from Elroy Face and Diomedes Olivo as the Pirates nipped the Cardinals. Friend, now 5-6, and Dick Groat bailed in two runs and Bill Mazeroski's homer proved the winner.

The Pirates rapped Curt Simmons for six of their nine hits and routed the St. Louis left-hander in their two-run second. Lindy McDaniel went the rest of the way for the Cards.

Carl Warwick supplied the ninth-inning clincher for the Colts with a two-run single and Jim Pendleton applied the crusher, a three-run homer. The victory went to Don McMahon. Don Elston was the loser.

Ken Hubbs, Ron Santo and Lou Brock homered for the Cubs, with Brock's giving them a 6-5 lead in the seventh.

## Four Teams Left in State Baseball Play

PINE BLUFF, Ark. (AP) — The semifinals of the state high school baseball tournament will be held today at Pine Bluff with Greenwood County Tech meeting Joe T. Robinson and Greenwood battling Monette.

In day games Thursday, Joe T. took a 5-2 lead in the third inning to easily down Hickory Ridge 10-4. Tech used the three-hit pitching of Ronnie Adams to collect a 2-0 victory over Dover, and Nashville pushed across four runs in the bottom of the fourth to beat Gillett 4-1.

Thursday night, Greenwood came from behind to defeat Mountain Home 7-3, and Rob Finch pitched a one-hitter and went three for three at the plate to lead Monette to a 4-0 victory over Nashville.

Joe T. collected a total of 12 hits, with Johnny Beard and Buddy Rabjohn accounting for three each. Doyle Thompson was the winning pitcher, but he needed relief from Robert Newton in the fourth.

Tech's tallies came in the sixth and seventh innings, while Dover and losing pitcher Keith Hollabaugh never threatened.

Nashville's George Jones gave up five hits, but Gillett was able to score only one run in the second period. Joe Strode was the loser.

Mountain Home grabbed a quick 2-0 lead, but Greenwood went ahead 5-3 after three innings Thursday night. Pete LeRoy pitched for the winners, while Larry McGuire absorbed the loss.

After taking the day game, Nashville faced Finch's pitching and went down swinging. Monette picked up two runs in the first innings and added 2 more in the third. Finch struck out nine and walked two.

Ghost Pine Creek, Ala. (AP) — A mother's vigil and a father's hope ended when their 4-year-old son was found dead Wednesday night 34 hours after he tumbled into an abandoned mine shaft.

Rescue workers found the body of Kenny Kowalechuk caught between the steps of a mine ladder 54 feet below the surface. His head was buried in loose earth and the two-man team said the chubby dark-haired boy appeared to have suffocated. He also had broken bones.

Mine officials believed his fall started a trickle of loose earth that eventually buried him.

The body was raised gently to the surface in the bucket of a power shovel. Unknown to officials, the mother was in the hushed crowd at the pithead.

She rushed forward just as the bucket was lowered to the ground. A policeman restrained her while the body was taken to a funeral home at nearby Three Hills.

Faint cries of "Daddy, Daddy," soon after Kenny plunged through the weak earth and timber covered shaft Tuesday raised hopes that the boy would be found alive.

But the shaft soon fell silent and the last hours were spent in grim realization of what lay ahead.

Kenny's father wandered aim-
